Student Life

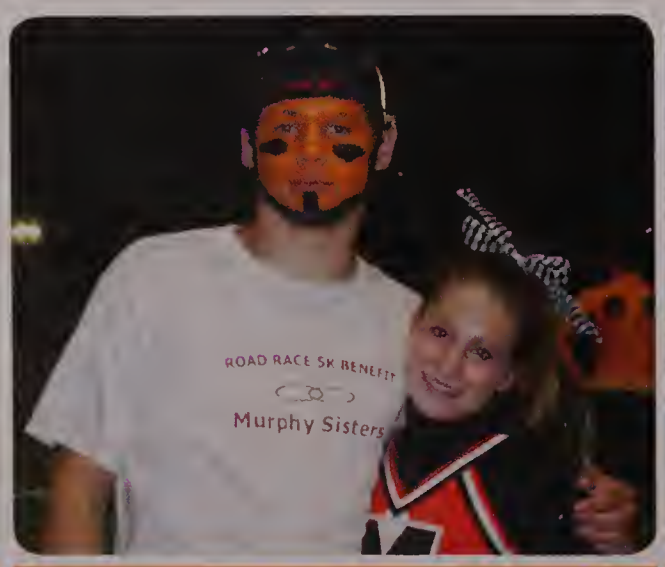

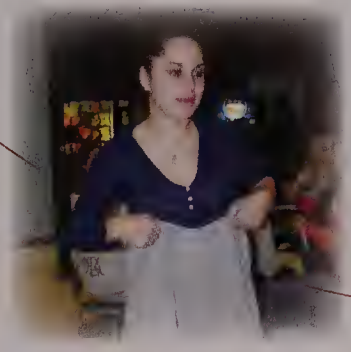

The MHS community comes in all shapes and sizes, and with our unique outlooks and contributions, we make our school different from all others. Like the strands of yarn used to make a sweater, all of us are woven together to make our students and faculty unique. We make a difference and are the reasons for the changes that take place. It is the memories of our friends, teachers, principals, and MHS staff that will stay with us when we leave. As we all go our different ways, it will be the diverse groups of people, friends, and teachers, that will make us part of what we become.

A Night to Remember

Field day is a traditional day each year where every class dresses in their school color and represents the spirit of their grade. We do things like " spirit jugs, " deface our cars, and show our school spirit. However, Field Day 2007 was unlike any other field day. Juniors and seniors arrived in the early morning hours just to park their cars in a certain order. People stayed at school all night to make tons of signs and painted headbands together. Even the underclassmen, who usually don't get as crazy as everyone else, stepped it up and supported their grade. The seniors led the spirit train as their sea of red came pouring into the field house. The Challenge was on! Every single senior there had a red headband proudly tied around their heads, and behind them a rioting group of boys fully painted in red paint. No class could ever, EVER outshine the '08 senior spirit. However, this was the first year in a long time that every class was excited, engaged and ready to get that spirit stick.

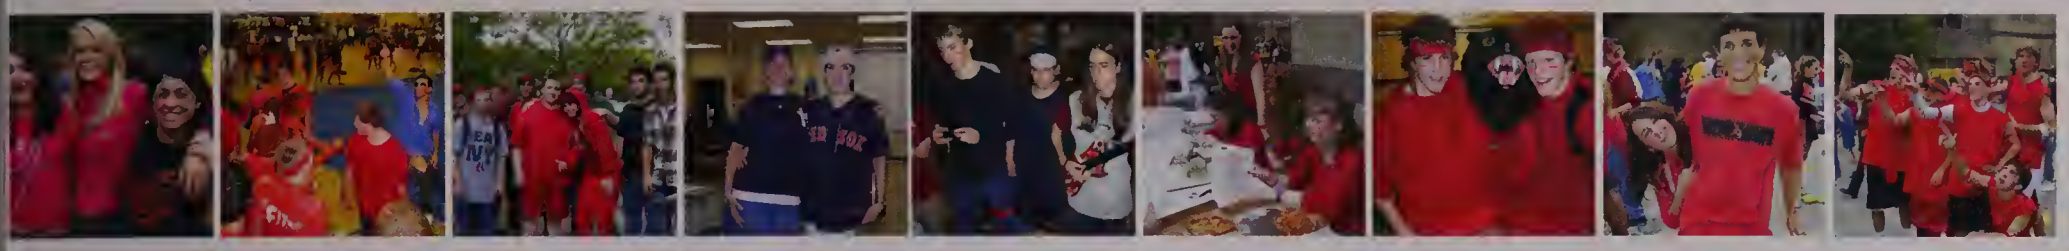

It was the best rally in the history of MHS! The new found spirit of Field Day '07 will live on forever.

A message from the Senior Class President

As we approach our last days here at Marlborough High School, I wonder if we have had as large of an effect on this school as it has had on us. Did we do enough to be remembered within the "uniquely" decorated hallways of our beloved MHS? I dare to say that we have gone above and beyond; that we have been more than just your average class. From our extreme measures to decorate our hallways, to our unprecedented level of "school" spirit, we have proven to our peers that the class of 2008, full of drive and enthusiasm, is ready for all the opportunities at success that the world has in store for us. And now, all we can do, as G.R. Blair once said, is "Focus on (our) future, rather than on (our) past." I'd like to give a huge thanks to my fellow officers who have worked hard to make our high school experience memorable; thank you Alexandra, Devon, Chris, and Katelyn. I wish the Class of 2008 a successful future full of prosperity and happiness and hope to see you all in 2013!

"Hello, my name is Travis. I'm kind of a quiet kid, and I like it that way. I can get along with almost anyone, as long as you don't disrupt the peace around me. I enjoy a good fight, even though I don't know a lot of fighting skills. I'll fight anyone as long as there are no hard feelings about it. Clubs and the Arts

Marlborough High School offers many opportunities for students to get involved. The variety of clubs and the arts at MHS helps to weave our lives together.

This year we have added a Community Service Club to MHS, pictured here.

BEST BUDDIES

Best Buddies was founded in 1989 by Anthony Kennedy Shriver. Best Buddies is active at over 550 high schools across the world. Best Buddies High School is not the only option! There is also Best Buddy College and Best Buddy Citizen. Best Buddies will positively impact over 300,000 individuals this year!

SADD

SADD works to make the student population aware of the consequences of making poor decisions. This is an informative group which discusses current issues and pressures teens experience offering supportive ideas on how to cope in difficult situations.

NHS

The National Honor Society recognizes students who have excelled in the areas of Scholarship, Leadership, Service, and Character. Past student accomplishments have included going trick-or-treating for cans on Halloween, organizing a coat drive during the winter, and visiting the Greater Boston Food Bank. In addition to their service, members are expected to maintain high academic standards and to participate and take leading roles in extracurricular activities.

PUBLIC RELATIONS

The PR Club videotapes, edits, and airs activities of MHS on local cable TV channels. They tape everything from sports to everyday events that take place at MHS.

INTERACT

The Interact Club is affiliated with its parent organization Rotary International. This year, Interact has put together care packages for the troops, sponsored two children through the Holiday Helper, participated in the Turkey Shoot, done a 50/50 raffle, and put on two food drives that benefit the Marlborough Food Pantry. The Interact motto: "Service Before Self"

AFS

The AFS club is a very popular club which enables students to have fun while making new friends and learning about new places. We also help to welcome foreign exchange students who are attending our school for the year. Our major events are the Mr. MHS Pageant, New York Adventure, making cotton candy, Spirit Jugs, Spirit Links, Computer Dating, Flowers to your Valentine, lots of fun trips, community service, and just plain fun...because there's nothing else quite like AFS!

PEER MEDIATORS

Peer mediators is a voluntary program where students can resolve their interpersonal conflicts with student mediators who have been trained in conflict resolution.

PEER LEADERS

Peer Leaders is a group of individuals representative of the student body, who act as responsible role models within the community. Students selected as Peer Leaders are commited to modeling healthy behaviors and the importance of positive peer influence. Peer Leaders also are prevention educators who speak to students about alcohol, tabacco, HIV/AIDS, peer pressure, and many other topics of concern in today's teen society.

YEARBOOK FINANCE

Yearbook Finance is the money making portion of the Yearbook Production. They solicit businesses for ads, take your orders, money and deliver books.

PANTHER TRACKS

The Panther Tracks is a bimonthly, student-produced news publication. Members of this class write and edit articles while designing the layout for this 12-page newspaper. The editors-in-chief work together to produce the newspaper as well as put out a weekly newsletter called The Weekly Tracker. Both publications keep students informed of local and national news.

SPANISH CLUB

A new club at MHS, El Club de Espanol is a diverse group of students with a common interest in Spanish language and culture. We pursue our passions through art, music, food, dance, and travel. We look forward to the growth of our club in the coming years. Viva El Club de Espanol!

JSA

JSA is more than a debate club. We discuss and debate policies and practices of the United States as well as International affairs. We enjoy talks, debates, and attending various conferences.

STUDENT COUNCIL

The Marlborough High School Student Council is an organization that deals with school spirit, community service, teacher appreciation, student government, and leadership. The council is very visible throughout the school and feels that by maintaining visibility with students, it shows the student body that they have a voice in the school and gives them a strong sense of school spirit.

BPA

BPA is a club in which members prepare for and compete individually and in teams at a State and National Conference in Business and Technology related events. The mission of BPA is to contribute to the preparation of a world-class workforce through the advancement of leadership, citizenship, academic and technological skills. MHS BPA has shown this by hosting the Reality Fair, where we taught seniors the importance of financial literacy, and Computer Training, where we taught citizens of the Marlborough community how to use computer technology.

INTERNATIONAL CLUB

Diversity is one true thing we all have in common, we celebrate it everyday!

GSA

The GSA is a group of students who promote individualism. Empowered to overcome discrimintation of all types, this group actively works to promote patience, and understanding of all.

ART CLUB

Art Club is an after school activity where students can come together to express themselves creatively through personal work as well as organized projects. Art Club encourages students of any grade level and artistic ability. Projects include, but are not limited to, community service, fundraisers, murals, and personal work for exhibit or sale.

DRAMA CLUB

The Arts

BEL CANTO

This ensemble of young women experience a more intense and personal method of indtruction to help develop vocal techniques and harmonic independence. Major styles of choral literature expand their repertorie of music. These talented performers participate in concerts, festivals, and community performances.

8TH GRADE CHORUS

Through breath control, phrasing diction, and tonal balance this group of fine young artists grow in their musical strengths. They participate in both the Winter and Spring conerts sharing their talent.

MARCHING BAND

COLOR GUARD

The color guard works diligently in order to look their best for the half-time shows. We begin our season the week before school, attending band camp along with the members of the marching band. In addition to the half-time shows, we also lead the band in many parades, including the Labor Day Parade and the Memorial Day Parade. This year we were lucky enough to have a wonderful instructor who helped us to advance more than we had in previous years. We are mainly a self-taught group, developing routines as a group.

MIXED CHORUS

Students have studied two, three, and four-part vocals. Emphasis was placed on breath control, diction, proper vocal technique, musical interpretation, harmonic blend and sight singing. Throughout the year we performed in concerts, competitions, and community events.

STRING ENSEMBLE

These gifted musicians had the opportunity to experience a variety of musical styles including: Classical, popular, and contemporary music. Students share their talent by perfoming in concerts, festivals, and community events.

A CAPELLA

A Capella is designed for the dedicated, well-developed singer who wishes to expand and challenge his or her horizons by learning to sing with little or no musical accompaniment. Students in the MHS A Capella rise to the occasion, performing beautiful renditions of madrigals, folk songs, and other melodies.

JAZZ BAND

For students with a love for music and great talent, Jazz Band is designed to develop an understanding of and the ability to perform music of contemporary style and specific instrumentation. With use of saxophones, trumpets, trombones, keyboard players, percussionists, bass, and guitar, they jazz their way through successful concerts, competitions, and community events.

TRI-M

As a community service club, we work to improve our community and school system's music programs. Being the leaders of our music ensembles, the members of this club complete a total of 20 service hours, focused on music. Through our work, we strengthen and unite our community's music ensembles and organizations, creating a better environment to learn and create music.

Athletic Director Rich Riley

Our 1000 point boys!

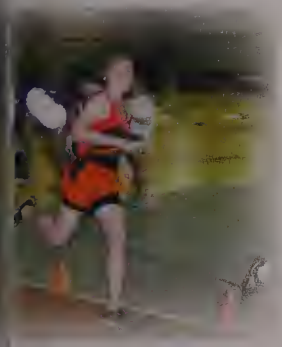

Congratulations to the 2007-2008 Marlborough High School student-athletes and coaches.

Your dedication, hard work, sportsmanship, and teamwork resulted in a very successful year for the MHS athletic programs.

I sincerely appreciate your ongoing efforts in helping athletics to remain at a quality level in the Midland-Wachusett League, Central Massachusetts, and the Commonwealth of Massachusetts.

Rich Riley-MHS Athletic Director

fall 2007

Field Hockey

The 2007 Field Hockey team had a phenomenal season this fall, finishing second in the Mid Wach B League, with a record of 8-7-4, qualifying them for playoffs. Led by Senior Captains, Angela Chouinard, Krista LaPlante, and Katie Philbrick, the season was unforgettable.

Lead scorers Angela Chouinard and Chris DiRico, both with 6 goals, brought the team to many victories with the help of Sophomore Kelsie Bryant, Junior Anisha Gundewar, and Seniors Katie Philbrick, and Taylor Risotti. Among these was the greatest victory of the year against Westborough High School, a team they had not beaten in more than 6 years. Having home field advantage over the undefeated state champions, Marlborough went in with a great attitude and came out with a 1-0 win, the most memorable of all.

The defense was consistently improving game after game due to the strong skills of Seniors Danielle Kaminski, Krista LaPlante, and Katie Philbrick. Saving the team numerous times, goal keeper Senior Melanie Lowrey stopped over 100 goals, helping the team finish with a winning record. Supporting Lowrey in every game were Senior sweepers Katie LeFrancois and Captain Krista LaPlante.

MVP award winner, Senior Captain Angela Chouinard, finished her season off making the All-Star Mid-Wach B team along with Junior Anisha Gundewar and Sophomore Kelsie Bryant (Coaches Award winner). MIP Award winner, Senior Taylor Risotti, proved her skills on the field this year by scoring the only hat trick of the season against Doherty High School. Senior Captain Katie Philbrick received the Unsung Hero Award due to her unstoppable defense this season and incredible drive.

Although it was a disappointing finish to lose the first home-field playoff game Marlborough had seen in 24 years, the game against Nashoba Regional was an excitement in itself. The 0-0 tie lasted a full 60 minutes and additional 15 minute overtime. Dropping down to only seven players in the second overtime, the score remained 0-0, a tie that could only be broken with penalty strokes. Unfortunately, the 1-0 loss was not the perfect ending, but Marlborough gave it their all and the season will go down in history.

Boys Soccer

The 2007 Boys' Varsity Soccer team compiled a record of 14-4-3. The boy's team again won the Mid-Wach B league championship for the sixth year in a row and returned to the District E Finals for the second year in a row. The team was lead by Academic All-American Maarten van Ess and All State player Flavio Pereira. The returning senior class of players such as Jimmy Goncalves, Bruno Aragao, Wagner Rosa. Luis Saquich, and JP Leite proved to have the determination and desire to continue the winning spirit the boy's soccer program has developed over the past few years. This senior group has also taught the younger members of the team what it means to be part of the "tradition" known as the boy's varsity soccer family. They should all be proud of their team accomplishments and careers in the Marlborough Boy's soccer program.

Boys XC

This year turned out to be a great success even with the changes of the coaching staff. With a rigorous summer workout schedule, the boys came into the season in shape and ready to run. Although senior captain Andrew Oram missed most of the season with an injury his presence was felt while cheering on his teamattes in both workouts and races. Senior Captain Adam Charbonneau led the team along with MVP Mike Bryant. The Panthers were blessed with some young talent this season as well, Hayden Voss, Matt Waldron, and Lucas Allen specifically. Senior's Sheldon Vigeant, Chris Philpot, Brian Hasbrook, and Junior Mike Parks all participated in their fair share of domination. Most runners plan on joining the indoor track team and we shall see what happens.

Girls XC

This year, the Marlborough Girls Cross Country team also known as our second family had an outstanding season. Although we grieved the loss of coaches Mr. Kiley and Mr. Brown, a very caring and enthusiastic coach, Mr. Vital, replaced them. He led us to a great season that will never be forgotten. From having our satuday mornings ruined by 7 am practices to the crazy pasta dinners to the rally planning to the food runs, and singing our favorite songs,we all became a family. Running through the blood sweat, pain and tears only made us stronger and led us to ninth place in the Central Mass Meet. Captain Dessie Stefanova placed fifteenth, which qualified her for the Division I State Meet.

Thank you girls for making this season the best. We wish you girls good luck for the seasons upcoming.

Love,

Captains Dessie and Lombardo

Volleyball

The 2007 Girl's Varsity Volleyball team isn't like any other. With mostly underclassmen dominating the court this year, the future of the team has room to grow. Being such a young team there was an uneasy feeling as to how the season would progress. However, after winning the first game against Burncoat in a three game sweep, Coach Lepore knew that the team would make it pretty far this year. The starters include Beth Gabrielli, Sophia McCarthy, Megan Farrell, Amanda Scott, Angela Scott, and the sixth is still being determined. Fighting for the sixth starting spot are Carolyn McHugh, Daisy Jordan, and Katherine Vacca. Leading the team this year were captains Beth Gabrielli and Lindsay Harrington. There were six total seniors on the team this year including Lindsay Harrington, Beth Gabrielli, Amanda DoAmoral, Carolyn McHugh, Kelsey MacGlashing, and Meagan Montesion. Serving this year lay in the hands of Sophia McCarthy and the offense was taken care of by Beth Gabrielli and Megan Farrell. Defense was also a huge advantage to the team this year, with excellent receivers in the back row. Being a very competitive volleyball team, the girls faced a tough season this year, with Milford being a top competitor. One of the team's biggest strengths was their ability to work well together. Many of the girls have played together for years, so the sense of team bonding was already present and will continue to grow stronger.

Football

The 2007 fall football season was nothing sort of spectacular. The Marlborough Panthers were led by their co-captians Mike Aschettino, Tyler McElmen, and Josh Carter through an impressive 7-4 season record. With new uniforms and a fresh senior class the Panthers took on a whole new look. Quiet and composed before games the panthers always seemed to show up ready to play and always ready to steal a victory in the last seconds of a game. Some things that this senior class will never forget was the last second win over Algonquin when all has seemed lost, the waiting game against Milford when the lights at Kelleher blew out in the pouring rain and the game had to be finished the following morning, and the beating we gave to the Hudson Hawks on Thanksgiving! We would like to thank our coaches and everyone that took part in making our football program something that we would never forget.

Golf

The MHS Golf team had a succesful 2007 campaign finishing with a record of 8-6-1 and qualified for the Division 1 District Finals. Led by the experience of Captains Jon Tamburro and Dave Barrile and the superb play of Juniors Paul O'malley and Corey Dobson the team was able to win their fifth straight League Meet. Sophomore Joe Fiorello placed first at the League's with a low score of 73. The future of the team is promising due to the fact that only one Senior is graduating and new coach Jim Landers will fully understand the potential that each player has. Other players such as Nick Markey, Chase "Bluetooth" Meyers, and Brad West will play a big role in the teams success next year. Once Mike Rosecoe is able to locate all of his clubs he can also expect to contribute significantly to the team. Good luck next year, hit 'em long and hit 'em straight.

Basketball

The 2007-2008 Girls Basketball season was a season of ups and downs. The Lady Panthers started the season out strong with a 3-1 record, followed by a 5 game losing streak. Despite their losing streak, the girls continued to work hard and won 5 out of their last 6 games to qualify for district playoffs. The girls were the 11th seed and played Burncoat the 6th seed in the first round. They played a great game and challenged Burncoat to the last minute. Unfortunately the final score was Burncoat, 59, and Marlborough, 54. It was a great season.

Basketball

The boys basketball team had a great season this year. They made history by advancing further in the playoffs than any other Marlborough High Basketball team has ever gone. Led by senior captains George Jordan, Andre Beauchamp, Conner Flynn, Maarten van Ess, and junior stand-out Keith Brown, they finished the regular season at 17-3. After clinching their second straight Mid-Wach B Championship, they advanced to the playoffs, where they went on a memorable run. They were tough to beat with Mid-Wach B MVP George Jordan down low, the outside shooting of Beauchamp, and guard play of Flynn and Brown. Fabrice Yoyo, Graham Asum, Dan Imperato, and Canaan Sevein all got good minutes this year and look to lead a bright future for the basketball team. After a loss to Holy Name last year in the playoffs, they made sure not to repeat, as they one again advanced to WPI and made it all the way to the Central Mass Championship game, where win or lose the rest was history. As Senior Captains George Jordan, Conner Flynn, and Andre Beauchamp all plan to play basketball in college, and soccer for van Ess, we wish luck to the team for next year and hope they can repeat.

Gymnastics

Even though the gymnastics team is significantly smaller than last year, it has exceeded all past M.H.S. gymnastics achievements. Last year the school had a team record of 131.4, and this year it has reached a high of 136.15.

Helping to coach the team this year was alumni, Rachel Carroll. For the first time ever the team made it to the South Sectional meet. Along with the new team record that was set, many individual achievements have been reached. Junior Devonta Brown currently holds the school vault record of 9.525 and came in second on vault in the state individual meet. Senior Jill Anzalone and sophomore Catherine Stecyk also qualified for the state individual meet; Jill on vault, and Catherine on vault, bars, and floor. Senior Laura Studer was the gymnast of the year of the Mid-Wach League. Mia Barbieri and Catherine were the all arounds that always contributed a great amount to the team. Everyone on the team supported each other, and they are all looking forward to a fantastic season next winter.

Boys Track

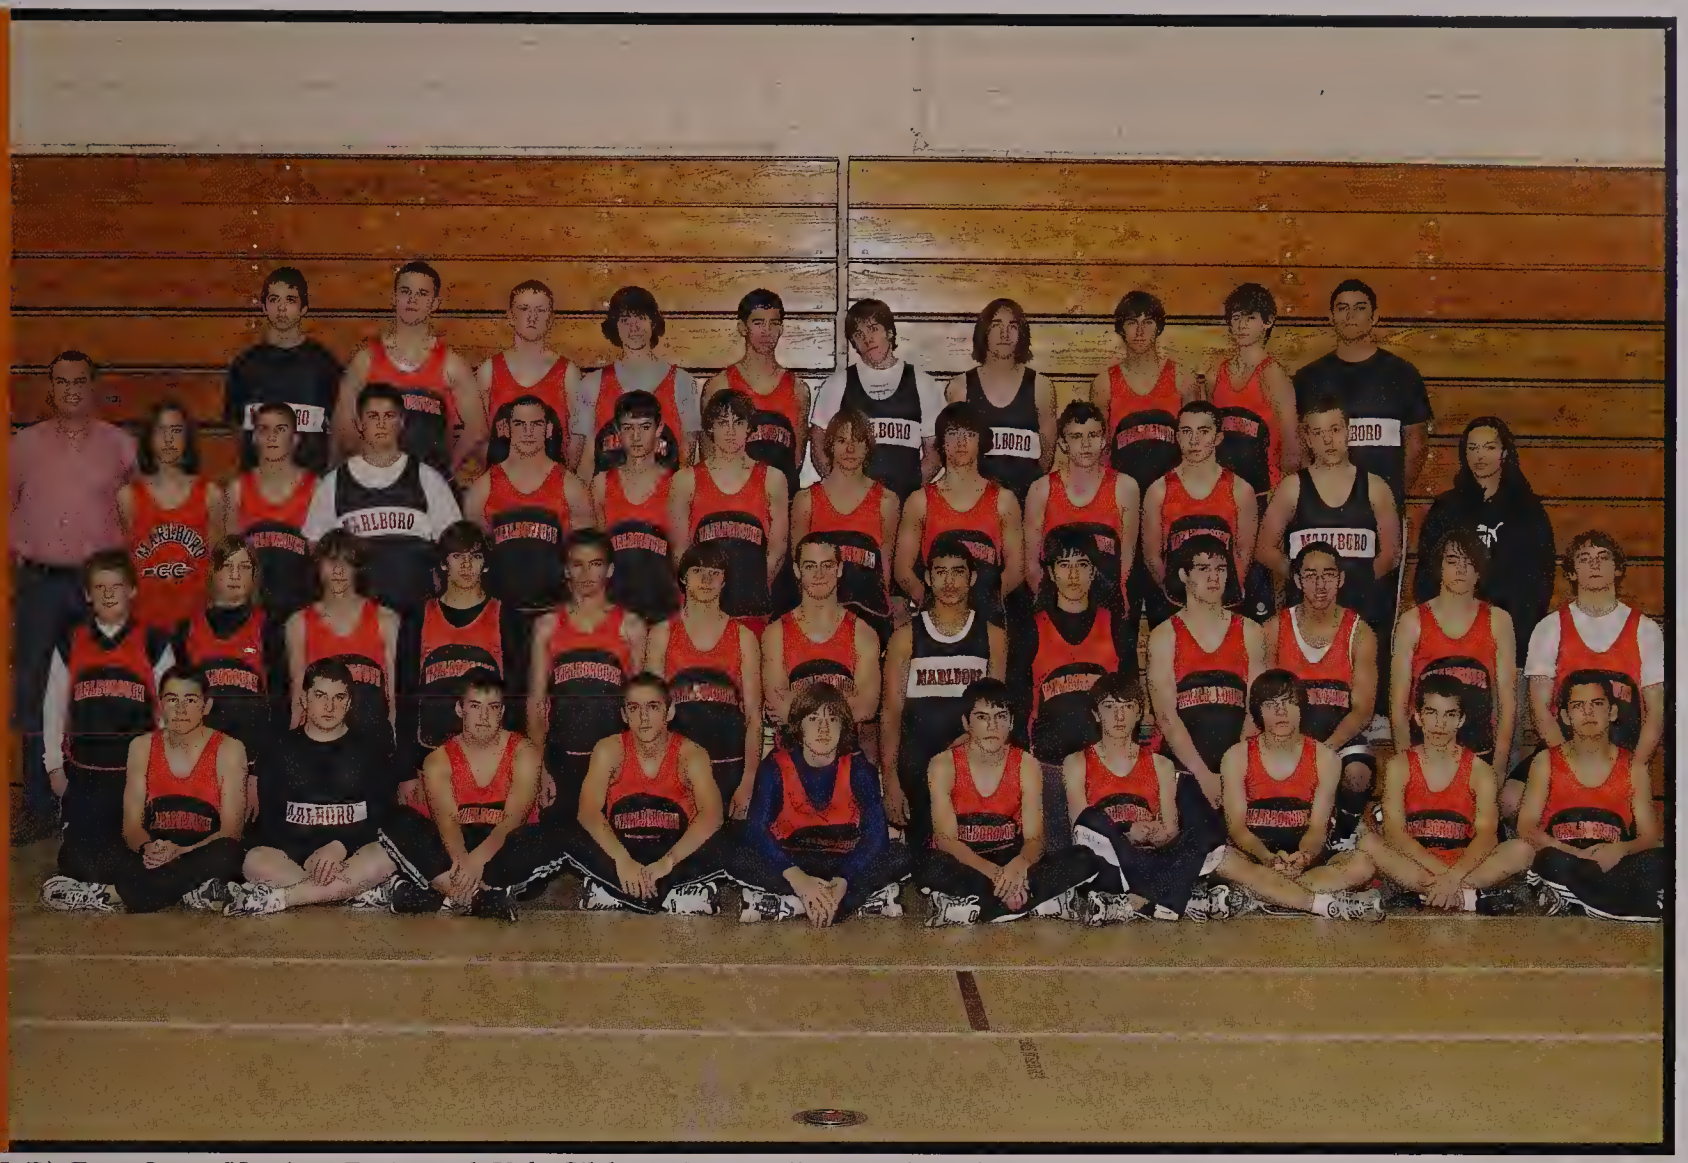

What's there to say about the Guys Indoor Track Team that hasn't already been said? Um…we're awesome? With Captains Andrew Oram and Adam Charbonneau pushing distance, Captain Jon Laman topping the sprint team, and Captain Brian Hasbrouck leading the most impressive cheering section in CMass, the Panthers quickly became the team to not get beaten by. Early on, injuries to other key runners hit the team hard. Senior Captain Jayson Gallant was sidelined for nearly half the season with a tweaked knee and Junior Mike Parks, a transfer from the wrestling team, spent most of the season in an AirCast with a stress fracture after "Doing work!" too much.

Injuries aside, there were some impressive performances all around the team. Both Adam Charbonneau and Freshman Alex Kunycky broke 5:00 in the mile, Adrian de Jesus and Joe Cote narrowly missed States on a timing technicality in the 50m dash, and Andrew Oram went to States with a 2:45 thousand.

Despite the Men's one victory being striped for running a failing student in a relay, it was a god building season and everyone found ways to have fun. The Reggie Lewis Center played host to some of the most intense bottle flipping competition in ages. Sheldon Vigeant and freshman Nick Lombardi tied a team record for cookie tossing. The new Head Coach, Ms. Emily Welton, showed that you don't have to be a teen-ager to be jaded and cynical. Coach Downin was as "Downiny" as ever and he and Mrs. Downin gave birth to yet another future track star. Having done little of significance on the track, Brian Hasbrouck prided himself on organizing and maintaining a "Wave" that comprised an entire turn of the Fitchburg High track for en entire 4x8. Looking to the future, Alex Kunycky has shown that he is a force to be reckoned with in the 1 mile, while Adrian de Jesus, Joe Cote, and Kyle Mackinnon provide a strong sprinting core, and Mike Dirusso has good things coming in the shot put.

Girls Track

After one of the best seasons in the school's history last year, the girl's track team was looking forward to another great year. This season began well as the girls finished the dual-meet season undefeated and won the league meet. They then went on to win the District championship for the second year in a row! Key contributors to the team's success were junior captains Brianna Kunycky (1000m) and Cathy Chude (shot put, hurdles) as well as sophomores Cathy Withers (1000m) and Ally Oram (2 mile). Other contributors included senior Dessie Stefanova, juniors Kim Urena and Kelsey Tsai, and sophomores Lauren Papalia, Kristen Roberts, Alicia DeGiso, and Ashley Carresi. At the State Division II meet, Cathy Withers won the 1000m and Brianna Kunycky finished third. Ally Oram placed second in the 2 mile and the 4x8 relay came in sixth. With only two seniors graduating, and many underclassmen running very well, the girl's track team is expecting many more great seasons in the years to come.

After losing 10 starters, the wrestling team had a rebuilding season. Led by Senior co-captains Chris Coehlo and Devon Blake, and with strong performances from junior Tyler Burgwinkel and Tom Mossey, the team wrestled to a 9-12 finish. The young talent on the team will make it a strong competitor in the next couple years. Five wrestlers qualified for the State Championships: Devon Blake (152), Chris Coehlo (160), Tyler Burgwinkel (130), Tom Mossey (Huy), and J.P. Morais (145). Chris Coelho also qualified for the All-State Championships and was the first Sectional champion from Marlborough in five years.

Into our lives came a shining light. That light was you, Lauren. We've seen you learn to crawl, to walk, to run, to laugh and to cry. We've been blessed to see you go from babydom into womanhood.

You have given us great concern and anguish along the way, to be sure. But you've also given us an even greater joy and pride that has come from you being our daughter.

You've always been strong and independent with a vulnerability and naivety that only increases your beauty, both inside and out.

We are truly blessed that you are in our lives.

Samantha Smith

Dearest Samantha,

Very soon, you will come to another, but surely not the last, very important pinnacle in your young life. You will graduate high school. This accomplishment, your high school experiences and those personal moments that you will cherish and remember forever are so important to both your future and success and growth as a young woman. Mom and Dad can't express enough how proud we are of you.

We want you to know, however, that the fact you will soon be graduating is not what makes us most proud. What makes us most proud is the manner and road you chose to travel to get there. And MOST people WILL take the easier road. Your determination, honesty, hard work, maturity, sincerity, respect for others, and just you being the best person that you can be, to yourself, to your family, to your friends, and to all people is what makes us most proud.

Continue to work hard. Continue to have fun. Continue to have dreams and you will continue to realize those dreams. And most important of all, continue to be you! People don't come any better, and quite simply, you being you is the product of all the above. You are truly special.

Love you forever,

I hope you still feel small when you stand beside the ocean... Whenever one door closes, I hope one more opens. Promise me you'll give faith a fighting chance. And when you get the chance to sit it out or dance...

I hope you'll dance!

Another turning point a fork stuck in the road. Time grabs you by the wrist, directs you where to go. So take the photographs and still frames in your mind. Hang it on a shelf, in good health and good time. It's something unpredictable but in the end it's right. I hope you had the time of your life.

And when you finally fly away I'll be hoping that I served you well. For all the wisdom of a lifetime, no one can ever tell. But whatever road you choose, I'm right behind you, win or lose...forever young.

And you should always know Wherever you may go
No matter where you are I will never be far away.

TAYLOR RISOTTI

TAYLOR~
WE'VE BEEN DREAMING ABOUT YOUR FUTURE SINCE THE DAY YOU WERE BORN, HOPING AND KNOWING THAT LIFE WILL ALWAYS BRING YOU ALL THE HAPPINESS YOU DESERVE.
WE HAVE ALL THE CONFIDENCE IN THE WORLD, IN YOU, AND KNOW THAT YOUR FUTURE WILL BE BRIGHT AS YOU HANDLE WHATEVER CHALLENGES AND OPPORTUNITIES COME YOUR WAY.
HAVING YOU FOR A DAUGHTER HAS BROUGHT US MORE JOYFUL AND PROUD MOMENTS THAN YOU'LL EVER KNOW!

WE LOVE YOU, MUFFIN!
DAD, MOM,& ZACHARY

Christopher DiRico

Christopher.

We knew from the day you were born that you were something special, as each year has passed you have always made us proud to be your parents. You have accomplished so much in your 18 years, Japan, Spain, Bay State Games, Varsity Field Hockey, Class Officer, Student Council, AFS, our different jobs, all these accomplishments and still finding time to be a great brother, and most of all a wonderful son.

As this chapter in your life comes to an end, a new chapter begins, we wish you all the success that you deserve. Remember, to achieve great heights you must set the bar high, be yourself, do the things that make you happy, and never be afraid to be different.

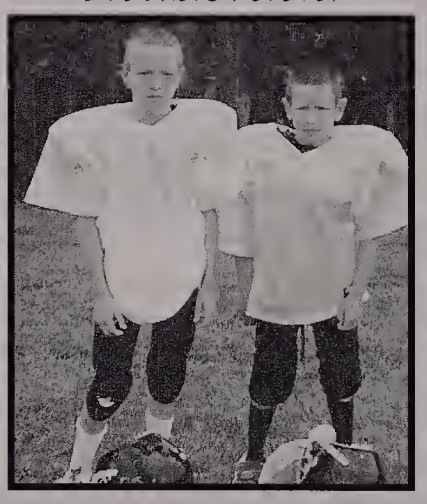

We love you, Mom, Dad, Kyle, & Spike

Simply the Best!

Laura Nussberger

When you first came into my life I wondered

'Can I do this...Can I do a good job?'

Then I looked at you and wondered

'Will she ever grow hair on her head?' You did!

I watched you walk around with a stroller

tucked up under your arms wondering

'Will she ever learn to walk alone?' You did!

Then came the tough stuff...playgrounds and bicycles, dancing and school, algebra, fishing, Spanish, photography, and physics, all evoking that same worrying parental question, "Can she do it?" You did!

The coolest job I've ever had was being a dad...your dad!

And through it all the one thing

I've learned is...there is nothing you can't do!

Go get 'em!

All our love,

Mom and Dad
